RB Components will provide 3 twenty five percent off (25%) certificates per each class for the top 3.

Each vehicle participating must have 2 stickers provided by RB Components on the vehicle.

All competing brand stickers must be removed and replaced with RB Components Stickers. Provided by RB Components

Excluded from Discounts: Furniture, Items on Special Discount certificate redeemable at all approved dealers, online or The RB Components Showroom.

1st, 2nd & 3rd all classes – 25% of certificates for all classes
Must run (3) company decals and no competing brand decals

Excluded from discounts GPS, restraints and camera systems. Certificates redeemable at all approved dealers, online or the ProComm Showroom.

First place all classes to receive a certificate worth \$200.00 in.

"First out of the Money" – Certificate for free labor on a pair of shock rebuilds (valued at \$100 - \$150). If the winners of these certs are in a truck class (or in the first out of money position) then that winner will have to be running Sway-A-Way/RaceRunner shocks & bumps exclusively (no mis-match of shock manufactures product).

Trucks

Driver/Owner must run Race Runner Shocks exclusively or Sway-A-Way Components w/ other brand shocks. Decals on both sides

Buggies

If the winner is in a buggy class then its ok for that driver to have other manufactures shocks / bumps as long as they are running axles, torsion bars / leaves, spring plates etc...For the buggy classes if the customer is not running our shocks and is in the " First out of Money" position then we can off that individual \$100.00 in product to be redeemed at Sway-A-Way directly

FiberwerX is committed to supporting the organization efforts of DRIVE Racing and the continued progression of 14XX division racing.

Racing sportsman classes and 1400/1450 is part of the FiberwerX Offroad Racing heritage. We want to support the grassroots racing, the weekend warriors, and the young desert enthusiast that build their project race trucks in mom & dads garage.

FiberwerX Contingency Sponsorship:

Offered to both Classes 1400 and 1450, 1st-3rd place for the remainder of the 2009 DRIVE Racing Series.

(*If 1450.org teams up with an DRIVE Event, there will be no contingency given to DRIVE participants only 1450.org participants.)

1st place - \$170 certificates

2nd place - \$100 certificates

3rd place - \$60 certificates

To be eligible racers must run 18" FiberwerX contingency decals on both sides of the vehicle. FiberwerX will provide contingency decals to DRIVE to distribute to the participating DRIVE Competitors.

It is the responsibility of the participating racer to provide substantial proof that all requirements have been fulfilled at the time of the event.

Certificates are only valid to the original recipient who was awarded by DRIVE.

\$100 or \$200 off AGM Product to the winner of 1450.

They must run the AGM Product Decal to qualify.
